Most Niseis in Vancouver Attending School

Special to The New Canadian

VANCOUVER. — It appears that the warm coast climate is attracting a fair number of Nisei residents from the interior. Appropriately Vancouver is enjoying the sunniest autumn in many years.

About half of the Niseis here are furthering their education. There are 21 Nisei students attending the University of British Columbia. Other institutions such as sewing schools, technical schools and high schools also account for a fair share of the Nisei population here.

The working Nisei are mostly employed in the city's sawmills.

So far there has been one social gathering which was held on a recent Saturday evening with 40 attending. There is also talk of organizing a JCCA chapter. Some of the sports-minded Niseis at Varsity are hoping to form their own basketball team and are even talking about challenging the Seattle Niseis.

Attending U.B.C. this fall are Marianne Miyagishima and George Fujisawa from Greenwood, B. C., Kaz Taneda from Westbank, B. C., Barney Sugiyama, Ed Takahashi and Amy Nakamoto from Kamloops, Rennie and George Ikeda, Ed Minato and Frank Mori from Vernon, Sus Tabata from Midway, B. C., Ruth Nakamura, Michiko Imayoshi, Richard Yamabe and Keiichi Imayoshi from Summerland, B. C., Gordon Imai from Moose Jaw, Robby Kitagawa, Tad Tsuzuki, and Akira Hori from Lillooet, Ritsuko Oka from New Denver, George Yamanaka from Toronto, George Fukuyama from McGill University, and Curly Okabe from Mission City.

This is an increase of about 10 students from last term. It may be noted that the total of 21 students is made up of 16 boys and five girls.

Three girls are taking nurse's training at St. Paul's Hospital, [illegible] from Greenwood, [illegible] and Toe Nagamatsu from Vernon. K. I.

THE WEEKLY HABIT

By TOYO TAKATA

Eleven hundred and fifty miles. That's what the mileage indicator of our rented gas-fed chariot showed as the distance traversed when we returned from the road trip to Chicago Tuesday morning just in time to eat breakfast and rush to our regular eight-hour chore.

Leaving late Friday afternoon of last week the five members of this motor expedition reached the Illinois metropolis early next morning fifteen hours later. It wasn't the first trip to the Windy City, but it was the first by car and it was the toughest physically as the wheels rolled along U. S. Highway 112 out of Detroit.

Though it's the fifth trip for this writer, still I'm not up to the pace of its ways. They can keep Chicago and its 10,000 liquor outlets (that's what the Welcome to Chicago pamphlets tells us) and its never-ending round the clock existence. The population of Chicago is 3,400,000 which means that there is one liquor dispensary for every 340 persons. At that proportion Toronto would have more than 2,500.

There are nearly as many Nihonjin here as there are in the whole of Canada. The proportion of Japanese to its total population is a little less than Toronto. Walking through Marshall Fields or Mandels you can spot them like in Eatons or Simpsons here. And there are certain spots of limited Japanese concentration such as in Toronto.

Scattered throughout the city mostly in the less fashionable districts are quite a few Japanese business establishments. Along the not-too-luminous section of North Clark Street are found a number of Japanese owned small businesses. There were a few unattractive meshiyas which served Japanese food.

Seems everyone lives in apartments for there are no family houses unless you go well out of town. The Japanese Americans who have resettled in Chicago since the war have purchased many apartments which have become a source of income to them. Thus, as far as living set-up is concerned, we in Canadian cities in Ontario are much more fortunate. Because of this, there is more feeling of unsettledness in Chicago than there is in Toronto.

But, one thing they have, which we wouldn't mind is television. Lot of families have their own television sets which can be turned on to any of the four stations now in operation in Chicago. We spent most of one evening engrossed in the entertainment it provided.

Socially for the Nisei, Chicago is similar to Toronto, though on a larger scale with their various organizations providing for the social need of the Nisei.

18 Get Citizenship Papers In Kelowna

KELOWNA, B. C. — 18 Japanese were among a total of 31 individuals who received citizenship papers from His Honor Judge J. Ross Archibald in County Court on Oct. 4.

Among those receiving citizenship papers were Ishi Echigo, Kamekichi Ibaraki, Kaemon Kikuchi, Kiku Kinoshita, Haruo Kitagawa, Naruko Naka, Nobue Nakano, Genzaburo Taguchi, Ume Tahara, Teiji Takeuchi, Kame Tamagi, Harry Hatsumi, Sematsu Takenaka, Toyokichi Taiji and Kimi Kobayashi of Kelowna, B. C. Toyojiro Nakata and Sataro Taguchi of Westbank, and Sadako Wakabayashi of East Kelowna also were recipients.

Eight Persons On Visit To Japan

SAN FRANCISCO. — Among those who are embarking on a 60 day visit to Japan on the President Wilson which is sailing on Oct. 11 are eight persons from Canada.

They are Mrs. Koman Furuya, Miss Asako Furuya, Mr. Kewmatsu Kita and Mrs. Natsue Kita of Summerland, B. C., Miss Toyomo Kanamaru and Mrs. Ike Kobayashi of Okanagan Centre, B. C., Mrs. Sugae Tada and Miss Miwa Tada of West Summerland, B. C.

Defended Tojo, Gets His Samurai Sword

TOKYO. — George F. Blewett, Philadelphia attorney who defended the late Japanese premier Hideki Tojo at the international military tribunal for the Far East returned to the United States with Tojo's 650-year old samurai sword.

The heirloom was given to the attorney as appreciation for his efforts by the ex-war lord's family.

Before he departed, Mrs. Tojo and other members of his family presented it to him at a farewell dinner they gave to Blewett.

Says Destiny Of World Rests With Asiatics

VANCOUVER. — Canadians can adopt an open-handed approach to the Asiatics, embracing goodwill, understanding and co-operation, or they can be selfish, ignorant, suspicious and contemptuous, Robert M. Millar told the Optimist Club here recently.

He stressed the danger of failing to heed "the urgent need for co-operation, sympathy and understanding."

He warned that there's no technique of construction or destruction which can not be learned by the young Asiatics of today. "The destiny of the world will be decided by little boys learning to read in Chinese and Indian schools and the unnumbered millions who will follow in their footsteps, he said.

He referred to Gandhi and Nehru of India as "two brilliant and influential leaders turned against Christianity and Britain because of the close-fisted and superior attitude of the Anglo-Saxon races."

Son Of Toronto Couple Gets Degree In Japan

TOKYO. — Eizo Toguri, 30, who is the eldest son of Mr. and Mrs. Tokizo Toguri of Toronto, received his degree of Doctor of Medicine at the Jikei Medical University in Tokyo on Sept. 27.

Mr. Toguri went to Japan in 1927 to study. He graduated from the Jikei University in 1943 and continued his studies there until he received his degree last month.

Boy Scout Troops In Japan Revived

TOKYO. — Three thousand youngsters in home-made uniforms and carrying makeshift packs will gather in Tokyo for a jamboree. The Boy Scouts of Japan will parade down the Ginza, Tokyo's main stem and will demonstrate their training.

Despite a shortage of uniforms and equipment, the Boy Scout movement is growing. According to the Scout leaders, there are [illegible] troops with 10,000 members in Japan. Before the militarists dissolved the scouts, membership had reached a peak of 100,000.

The [illegible] had objected to the Scouts' three-fingered salute, claiming [illegible] of Jewish origin and would offend their Nazi partners.

Today the Scouts have been [illegible] "democratized" along American lines. They dance Indian war dances, utter blood-curdling war whoops and tie knots.

U. S. Custom Unheeded By Japanese Men

TOKYO — One post-war import that is not catching on in Japan is the "Ladies first" idea. Japanese men who have been walking ahead of their women for more than 2000 years do not expect to change now.

Some of the younger men in Tokyo allow their girl friends to walk ahead but they are the exception.

One well known man of the street stated that if there were [illegible] a few women in Japan they [illegible] have to be nice to them, but since there are more women than men especially after the war, he doesn't understand why they should walk before the men.

RECORD OF ACHIEVEMENT

1948-'49

Since Sept. 1, 1948, your National JCCA has:

- **Made further representations to the Federal Government which has effected lifting of the restriction on movement of Japanese Canadians to the Pacific Coastal area.**
- Made further vigorous representations to the B. C. Provincial Government which has gained for Japanese Canadians:
  The Provincial Franchise,
  The B. C. Old Age Pension bonus of $10 per month,
  The right to vote at municipal elections and Improvement District Elections,
  The obtaining of hand loggers' licenses,
  The right to learning and practicing pharmacy,
  The right to serve on juries, etc.
- Prepared and distributed application forms for the readmission to Canada of strandees in Japan.
- Submitted innumerable letters of application to Ottawa for the re-admission to Canada of strandees.
- Made initial representation to Ottawa on behalf of strandees who are excluded entry to Canada.
- Submitted a brief to the Royal Commission on Japanese Canadian Property Claims.
- Carried out extensive liaison work between claimants and their counsels.
- Made a delegation representation to the Commission appealing for greater consideration of claimants' cases.
- Assisted Japanese Canadian fishermen to secure their right to fish on the Pacific Coast without discrimination by gaining the support of the public and the press and the support of delegates attending the United Fishermen and Allied Workers' Union Convention which heard the Executive Secretary appeal for the right of Japanese Canadians to unrestricted employment.
- Combatted latent public prejudice against the return to the Pacific Coast of Japanese Canadians by numerous talks given to Caucasian groups in Vancouver and statements to the press by the Executive Secretary.
- Co-operated with Civil Liberties Groups in the fight against restrictive covenants.
- Continued to co-operate with other Canadian organizations in work in the important field of race relations.
- Gave further innumerable services to Japanese Canadians.

Dear Friends:

THE NATIONAL JCCA URGENTLY NEEDS $8,000

To continue its important future work in Education, Political Action, Race Relations and Social and Cultural work for the Japanese Canadians.

You may not feel a pressing need for the JCCA's services but others do —

So Please Give Your Help

This year the JCCA is asking you for an increase in contributions

BECAUSE. . .

Last year the Provincial JCCA Chapters asked you for the total sum of $8,750 for the National JCCA budget. You gave only $5,000.

The JCCA workers in all the Provinces are ready to continue to give their services which are beyond price, to the JCCA, in order that it may continue to work for the present and future welfare of Japanese Canadians.

BUT. . . . . .

They must receive your generous financial support. Give much more this year.

Your JCCA workers ask you to take an active interest in your local JCCA Chapter. Become a member.

意外な申し出

自校へとわい〳〵騒ぎながら歸つて行く兒童たちの後から、おくれて杉野先生と八十二とが歩いて行つた。

二人とも上機嫌で、話は今日の試合のことばかりだつた

「今に見てゐて下さい、僕はこのチームをきつと大阪一にして見せますから。」

八十二は眼を輝かせてそんなことも言つた。

試合の話が一應終つて、ちよつと沈默が來た時、ふと杉野先生が言ひ出した。

「ところで、駒木さん、こんな時に歩きながらこんなこと申し上げては何ですが――わたくし、あなたに一つおすすめしたいと言ふより、お願ひしたいことがあるのですが。」

「どんなことです？」

「駒木さん、あなたももうそろそろ結婚なさつてもよい頃でせう？」

「結婚？」

とつさに、なぜか八十二は佳代の顔を思ひ出した。――どうしてだか、妙にさびしい表情の佳代の顔を。

そして、杉野先生が言つた。

「軍刀屋人ですが、駒木さんあなた、わしの娘の啓子を貰つてやつて下さいませぬか」

八十二は、ただぼう然と、杉野先生の半白の口髭を見た。

夕食のあと、八十二は銭湯に行つた。

例によつて、こんではゐたが、しかし、湯上りのあとの氣分は、何かさつぱりして、やはりこころよかつた。彼は濡れた手拭を下げて、ぶらぶら下宿に戻つて來た。

すつかり夜で 見上げると たくさんの星が冬の色に光つてゐた。オリオン星座が殊に美しく八十二の眼に寫つた。

そして、滿天の星の冴えた美しさにも拘らず、八十二の心は妙に重かつた。湯上りのあとのこころよさとは別に、彼の氣持はなぜか晴ればれしなかつた。

今日の試合の經過――彼の育て上げた少年たちのチームのはじめての見事な勝ちつぷりを振り返ると、相手チームが强かつただけに、今思ひ出しても手に汗を握る感じで、それだけに何か微笑ましく、心の明らむ思ひがする。

が、この勝利の思ひ出の愉しさにも拘らず、八十二の心はやつぱり重かつた。何かが心に引つ掛り、その影が心の壁に落ちてゐて、それが氣になり、彼の氣持をすつきりさせない。

部屋に戻ると、八十二は、煙草をくはへて、ごろりと疊の上に臥た。天井の雨漏りのしみを、ぼんやりと眺めた。――この男にしてはめづらしく氣むづかしい顔になつてゐる。

彼の心に引つ掛つてゐるその灰色のもやもやは一體何だらうか。

彼にもまだわからない。

はじめての原爆行
神戸にいた航空士語る

ソ連でも原子が爆発したというニュースが世界をさわがせているこの頃、奇しくも記者は廣島、長崎に原子爆弾を積んできたあの歴史的なビー二九の一乗組員にめぐりあつた。その人はアメリカ第五空軍のウイリアム・ヘインズ曹長ー。あの日、ビー二九の最先端に位置する航空士としてヒロシマの地図と、ナガサキの地図を、機上でにらんだその人である。いまは經理官が志願して神戸の米空軍經理學校へ通つているが、名古屋のアメリカ村には愛妻ルースさんと一人娘のチエリルさんが留守番をしている。「あなたのような体驗の持ち主がどうしていままで新聞記者に話をしなかつたのですか」とまず第一問を呈すると「仲間のみんなが忘れたいと思つていることなんだ。アメリカに歸つたときもしやべらなかつたが、昨年四月日本へきてからもまだだれにも話していない。思い出すことが、なんとなく悲しいんだよ……」血色のいい顔にふとさびしいかげをうかべながら語りだす（ヘインズ曹長の話は）こうだ＝（朝日新聞石崎記者）

危険任務志願者

終戦にちかいある日のこと、沖縄の基地にいたわれわれビー二九の乗務員から「危険任務の志願者」が募られた。操縦士、副操縦士、航空士、通信士、爆撃手、上部機銃手、尾部機銃手の七人が一組ずつになつた。戦闘体制の半分という身軽さである。私は航空士の一人に加わつた。やがて、その任務が原爆投下であると聞かされた。この一戦こそは戦争を終結させるザ・ラスト・ブロウー最後の一撃ーなのだ。いつまで續くかわからない血の殺りくにピリオドを打つ重大な任務であり、一日も早い平和への使命なのだと思うとわれわれは思わず勇みたつた。むろん同行のもの以外にはいつさい秘密が守られた

落ちゆく日本機

一九四五年八月六日午前三時、一人ずつ静かに起されて飛行場に集合 三機で廣島へ……飛行機の中には分厚い綿の上にのせられて問題の爆弾が不気味に光つている。だれもが緊張し切つてムダ口ひとつたたかない、廣島上空入前に日本軍の戦闘機が四十二機あらわれたが、うち半数が落ちて行つた。上部機銃手が負傷し最前部にいた私のホホを二弾がかすめた。忘れられないのは、こちらの機体を目がけて突込んで來た「ハラキリ機」が眼前二、三フィートのところをかすめ、尾部の機銃がその機に向つて激しく火を吐きかけると、そのまま煙のかたまりになつて落ちて行つた光景だ。廣島の上空は雲に閉され高度からは全く視力が利かなかつたが、レーダーで操りながらここぞと思つて投彈、五千フィートまで下りながら上空を一周した。白い噴煙が立ちこめ、それをとおして炎が全市を包んでいるのを認めただけで機首を真直ぐ基地へ向けた（次號に續く）

渡航熱の日本人

【日本通信】着物で押し通すと出かけた片山哲夫人が歸るさきには美しいクレープ・デ・シンのドレス、田舎の好々爺然たる國鐵勞組の加藤委員長もスマートな洋服でパン・アメリカ機を下りてくるといつた工合で、歸朝の日本人いづれも服装はリユウとした格好

食糧難、住宅難、着るものは高いと三拍子揃つた日本人にとつては雑誌も新聞もラジオも盛んにアチラの夢のような生活を紹介するので、アメリカ等への渡航熱をあうり立てられる

ところが日本の金で海外へ渡航は今の處全然許されていない。食うにも事欠く日本では自國の貨幣を持出するとは日本自立には不必要というわけで總司令部の許可が下りない。海外からでも無用のものは入れないという許可制

今の處渡航者は全部滞在費旅費すべて海外に頼らなければならない。許可された海外會議の參加者、各國への視察者、留學生などみなアチラの費用で負擔してもらわないといけない

留學生は現在までに四百名滞在期間最高五年まで認められて渡航しているが（殆んどがアメリカ）その條件として一定の學歴と英語の素養、先方での諸經費、往復運賃を全部招待側で負擔するものに限られている

大低は各大學の奨學資金によるものだが、縁故者の世話になるものもある。今の處正式には先方で苦學することは許されてない。昨年迄は一世の兵隊と結婚してアメリカへ行くことも許されていたが移民法が改正されないと難しい

今度日本の貿易業者に獲得した外貨の一部、出張所その他に派遣するために使用することを許された。新聞に米の篤志な、奨學生を出す人の記事が出ると學生内で大騒ぎ。いまの處大した申込もない

講和條約でもでき、移民法が改正されない限り自由にとび出すことは仲々難しい。滿洲、中華民國から引揚げた人などは、元の古巣や或ひは海外の生活を知るだけに、どこへ出ようかと氣をもんでいる

自費で許されてもロサンゼルスまで二十三万四千圓の飛行機運賃、或いは船二等でも十万圓内外の旅費では仲々大變な負擔である（今澤正躬發）

米軍、日本に踏止る
コリンス大將の言明

【東京發】米國陸軍參謀總長ロートン・コリンス大將の日本訪問の結果、アメリカの極東防衛計畫の二重要點があきらかにされた すなわち

(一)「全極東事態の安定的勢力」として米國は現在の進駐軍力を無期限に駐在さす

(二)米陸軍は沖縄に踏み止まるのみならず、本軍基地として有効なる施設増強を計る

コリンス大將は十月十一日進駐軍の豫算は削減するかも知れぬが、軍力はへらさないつもりだと次の如く言明した

日本にある現在の四個師團は丁度よい程度であり、軍政々府としての責任が次第に輕減するに従つて、戦闘力は歐洲地區の標準に上げられて來るであろう

不安は一掃
日本政府も愁眉開く

現在まで種々噂が流布されていたアメリカの極東防衛としての日本の役割がコリンス大將の言明によつて明らかにされ、「米軍は極東の安定勢力としていつまでも日本にふみ止まる」と率直な聲明は日本政府當局に好感を以て迎えられている。昨年前陸軍長官ロイヤル氏が「日本は米國にとつて軍事的に重要でない」と言明して以來、米國の對日政府に就てとやかくの論議が行われている折柄、今回のコリンス聲明で之等の不安は一掃されるに至つたものである

アジアの將來建設
カナダ人は胸襟を開いて協力せよ

【晩香坡發】十月六日當市に於いてオプチミスト・クラブ會合席上ロバート・ミラー氏は「今日の若いアジア人が建設と破壊の手腕を習得できない筈がない」とガンジー、ネールの二鬪士を引例して次の如く語つた

白人種と有色人種の將來は支那語を勉強し、インデアン學校で習う子供達と數百万の者が向後五世代に亘つて從う途によつて決定されるものである。ネールとガンヂーはアングロサクソン人種の優越態度と暴威に對抗した二人の輝しい鬪士である。カナダ人は胸襟を開いてアジア人に接近、相互の了解を深め協力しなければ彼等(東洋人)は自己主義となり、疑いを持ち横柄となるであろう。我々はアジア人が機關銃でなし得た事を見て來た。お互に汗とアブラを流して新世界建設に共同して努力しよう

Our Little Woman

By JACK NAKAMOTO

The 21st in a Series

"Your slip is showing", is a common enough remark which usually means that our little woman's slip is slightly showing below the hemline of her skirt. However, it could mean that her slip is still showing, though not below the skirt, but alas! through the slits of her skirt. She must remember that slits are made on narrow skirts not only to allow for more freedom of action, but also so that they may provide a provocative peek of her legs—naturally for men!

Yoshiko Suzuki, a former sportswear manufacturer in Vancouver, who is a dressmaker-designer in Montreal says: "Nisei girls either tend to stick to severe tailored lines or go to the other extreme by wearing very casual and sloppy clothes. They shouldn't wear strictly tailored suits nor dressy dress-maker suits, but should try to strike a happy medium between those two types."

Question: How can I make my bowleg condition less noticeable? I am a 19-year-old Nisei girl.

Amy — Toronto, Ont.

Answer: Sometimes a bowleg condition may be improved by building up the muscles on the inside of the legs. This practice does not alter the bony malformation, but makes the legs appear straighter. When the curve is in the bones below the knee then the calf muscles should be developed more and when the curve is in that portion of the leg above the knee, then the inner thigh muscles should be developed.

For developing the calf muscles, standing on the toes, skipping rope on the toes and stair climbing are very good. Deep knee bends while keeping on the toes will help develop the upper leg muscles and the calves.

A fine exercise for developing the inner muscles of the upper part of the leg is taken while sitting on a chair with the feet together and the knees apart. After assuming the sitting position on the chair, one hand is placed on each knee and then the knees are forced together against the resistance of the hands which should exert an outward pull on the knees. The exercises should be taken until you are slightly tired.

It's reported that Tom Ball, an impressario of show business in New York, is looking desperately for Oriental girls—Nisei, Korean or Chinese, for his show at China Doll, the all-Oriental nightclub. To prove how hard put they are in getting Nisei girls to become show girls, they even have a newspaper correspondent hoofing in a chorus line. She is Ann Koga, a New York correspondent of the Honolulu Star-Bulletin. For anyone interested, further details may be obtained by writing to me.

If our Niseiette is going to expose her ears in her short hairdo, she should remember to give them a dab of powder when making up her face. Of course, she shouldn't forget to powder her neck either.

The organization will not only promote social and educational programs but, though non-partisan, will also take action in the political sphere. Its activities will be pointed towards furthering the welfare of Japanese-Canadians. Especially towards achieving those rights and privileges of a citizen for which they donned khaki under very adverse conditions.

Dodgers Champs Of Montreal Nisei Baseball Trample Cubs 6-1 Behind Three Hit Hurling

MONTREAL. — The Dodgers were crowned as the first champions of the Montreal Nisei Baseball League when they downed the youthful Cubs 6-1 in the final game of a best of three finals. Dodgers had won the first game 4-3 but dropped the second 11-7.

The fighting Dodger team was composed of a mixture of veterans and rookies and boasted no individual stars. Each player gave out his best and it was the fighting spirit of the team that brought them the championship.

In the final game, Mac Yamada handcuffed the Cubs with his fastball and sharp-breaking curves, recording a three hit performance. The righthander struck out ten while walking but three batters.

Southpaw hurler for the Cubs, Hiro Yamamoto, also pitched a fine game, allowing three hits although they all came with men on bases. His wildness and poor support by his mates led to his downfall.

The hitting star was Osamu Hasegawa, Dodger first baseman, who drove in two runs in the second inning with his clutch single. Tom Yamamoto and Mac Yamada got the other two hits later in the game, driving in the other three runs. The sixth run was scored on a balk by a Cub pitcher.

The lone Cub run was scored through a combination of a walk, a stolen base and a single by George Machida, the first of his two hits.

The Dodger lineup throughout the season was: Butch Hayashi, c; Osamu Hasegawa, 1b; Sonny Kimura, 2b; Tom Yamamoto, ss; Hank Tamaki, 3b; Aki Shinya, Bruce Yamashita, Mossy Sugie, Mits Ikegami, Tad Kadowaki, outfielders; Mac Yamada and Tom Shikatani, pitchers.

Worth 500,000 Yen

TOKYO. — The price of a human life in Japan has been set at 500,000 yen or $1,388.88.

Parliamentary approval of this price is being sought by the Japanese government. The amount is the maximum the state will automatically pay the next of kin of a person hanged through miscarriage of justice.

A person arrested on suspicion of having committed a crime and later found innocent, could only sue the state of the rate of 5 yen —$138—for every day spent in confinement.

TYB Tennis Club Finishes Season

The TYB Tennis Club Tournament was finally finished last Sunday and the 1949 champs are: Men's Singles—Frank Matsui, Ladies' Singles—Ginny Mori, Men's Consolation Singles—Shig Sora, Ladies' Consolation Singles—Judy Kutsukake, Men's Doubles—Mush Fukumoto and Yozy Yasui, Mixed Doubles—Shig Sora and Mich Nagano.

All the winners with the exception of Frank Matsui and Ginny Mori were first year players so the two repeaters will have a hard time in keeping their crowns next year.

Shig Sora, the double winner, showed the most advancement with Mush Fukumoto, Yozy Yasui, Mossy Mitsui and Jimmy Kitamura closely following and they should be definite threats for the singles crown in 1950.

Among the fairer sex, Mich Nagano, Amy Tsukamoto, Kay Mitsuhashi, Kay Fujiwara and Judy Kutsukake made the most progress. Mich should be even money to dethrone Ginny Mori, the triple titleholder, next season. But Ginny who in her second year of tournament play ran roughshod over all opposition, winning two Challenge trophies and three individuals trophies, achieved the best record for 1949.

The Ladies' Doubles was not contested because of the lack of girls but next year there will be enough girls for a tournament.

U. S. has spent about $1,900,000,000 in Japan since the surrender according to Tracy S. Voorhees, Under-Secretary of the Army.

ACCENTS ON SPORTS

It took fifteen hours motoring down to Chicago and got bleary-eyed watching the television. Reception is perfect, a lot different from Toronto as we watched a portion of a football game and a wrestling match and saw Cliff Mapes of the Yankees and Roy Campanella of the Dodgers appear as guests on one of the programs. The brand of entertainment certainly has improved since the early stages of video.

We missed seeing the World Series though, as we were otherwise occupied during the afternoons. One Chicago theatre as a special feature showed the televised World Series on its large movie screen.

One of our best friends down in the Windy City is a member of the Chicago Huskies regarded as one of the top Nisei basketball teams anywhere. He's always good for a laugh as well as a helping hand. Before he left for the practice with the Huskies who are preparing for the Nisei Vue National Invitational Tournament, he arranged for a half dozen girls to provide company for us for the Sunday afternoon. Now, who cared about listening to the Series?

Until we borrowed a car from another of our friends, there were eleven in the car, eight of us, six Chi. girls and two of us from Toronto all in the back going through the heart of the Windy City.

Getting back to the Nisei Vue Tournament, they were taking publicity shots of some teenage beauties. One of the sidelights of the tourney is a Nisei Queen Contest and we watched the aspirants being shot for publicity purposes.

Speaking of beauties, we met two of the Nisei Vue cover girls, one of whom was chosen the Miss Nisei Chicago of 1949.

On our way back, we stopped off at South Bend, Indiana, the home lot of the Fighting Irish. We saw the stadium made famous by the late Knute Rockne as well as the buildings which make up Notre Dame. This was the school which produced so many football greats, the Four Horsemen, George Gipp, Jumping Joe Savoldi, Angello Bertelli, Johnny Lujack and a host of others.

We were wrong about the Dodgers, we won't say any more.

They're raising a lot of fuss about the American Bowling Congress and their "white males only" rule especially since a Seattle Nisei team has been barred from competing in a Boeing Aircraft league.

Wonder why they don't set up a rival bowling congress which does not discriminate instead of trying to get in with the ABC. We think it would be better if fair-minded people instead of protesting the action of the ABC would organize another group which would not discriminate. Eventually, it might put the ABC out of business.

There are approximately 260,000 persons of Japanese ancestry residing in Brazil.
